企业简介

COMPANY PROFILE

注册资本1000万元，是新业胜对质量的信心投资。8000平方米的土地面积反映了合作工厂的规模化生产实力。从事雕塑行业十多年的研究人员对产品质量充满信心。我们经验丰富的设计团队是我们产品创新和开发的驱动力。从源头直接采购、高质量的供应链和每年10000件的产量反映了我们为客户节省的成本，也反映了我们合理且负担得起的定价的信心。他们带领团队完成了从公共空间艺术设计到历史文化壁画的全品类覆盖矩阵，这是工艺传承和创新的双轮驱动。

我们的合作工厂是一家专业从事雕塑设计、生产、加工、运输、安装和售后服务的综合性企业工厂。致力于公共空间艺术设计、不锈钢镜面雕塑、大理石雕塑、耐候钢雕塑、铜雕、墓地墓碑制作

如今，新业胜正以合作工厂的生产能力为支点，以其巧妙的创意和精湛的工艺将《中国雕塑的故事》翻译成全球语言。从欧洲的方形雕塑到北美的校园艺术，从亚洲的宗教雕塑到非洲的纪念雕塑，我们合作的工厂花了13年的时间从曲阳的一个小作坊发展成为连接“中国制造”与全球艺术市场的坚实桥梁。每一件作品都是一场超越山海的艺术对话。

The registered capital of 10 million yuan is a confident investment in quality by XinyeSheng. The land area of 8,000 square meters is a reflection of the cooperative factory's scale production strength. Researchers who have been specializing in the sculpture industry for over ten years have confidence in product quality. Our experienced design team is the driving force behind our product innovation and development. Direct sourcing from the source, high-quality supply chain, and annual production of 10,000 pieces are a reflection of our cost savings for customers, and also the confidence of our reasonable and affordable pricing. They led the team to complete a full category coverage matrix from public space art design to historical and cultural murals, which is a dual wheel drive of craftsmanship inheritance and innovation.

Our cooperative factory is a comprehensive enterprise factory specializing in sculpture design, production, processing, transportation, installation, and after-sales service. It is dedicated to public space art design, stainless steel mirror sculpture, marble sculpture, weathering steel sculpture, copper sculpture, and the production of cemetery tombstones

Nowadays, XinyeSheng is using the production capacity of its cooperative factories as a pivot to translate "The Story of Chinese Sculpture" into global languages with its clever creativity and exquisite craftsmanship. From square sculptures in Europe to campus art in North America, from religious sculptures in Asia to commemorative sculptures in Africa, the factory we collaborated with took 13 years to develop from a small workshop in Quyang into a solid bridge connecting "Made in China" with the global art market. Every piece of work is an artistic dialogue that transcends mountains and seas.
